

Waterford Pony Club Highlights 2017

Eventing Championships @ Tattersalls.

Well done to all our members who took part in the IPC Eventing Championships 2017

Congratulations and well done to Eimear, Heather, Ruth, Kym and Alice who competed at this year's Eventing Championships in Tattersalls. All girls put in strong performances with five clear cross-country rounds.

Eimear, Heather and Ruth joined together for the Intermediate team competition, finishing in an excellent 3rd place, with Ruth and Heather placing 2nd and 5th, respectively in their individual arenas.

The Intermediate Connolly's Red Mills League also saw Eimear round off a very strong season in 3rd place overall with Ruth finishing 6th. Well done also to Niamh and fabulous Freddie who, despite being unable to attend this year's Championships, finished 2nd in the Open League after some great results this season.

Kym and Alice both enjoyed successful first seasons on their new ponies and were unlucky to be just outside the ribbons on this occasion.

Well Done Girls!

Tetrathlon Championships @ Grove.

Well done to all our members who competed at this year's National Tetrathlon Championships in Grove.

The "Waterford Golden Girls" team consisting of Heather O'Connor, Orla Treacy, Siobhan Whelan and Kate Foley finished in a very strong 3rd position in the junior girls team competition, with Siobhan and Heather placing 3rd and 5th, respectively, in the individual competition.

Aoife Keena also enjoyed success as part of a mixed team, finishing in 5th place overall, a great finish to her 2017 pony club season!

Our senior individual, Moya Whelan, put in some good performances to finish 4th as part of a mixed team and 6th individually in a very competitive field.

Well done girls!

Eventing Ireland Success
